Dear Lalit,

Many thanks for your time yesterday in giving us the financial clarity and also in being present personally.

Given that we are only 5 months away from IPL, we wanted to meet the newly-constituted GCA as soon as possible, build relationships with them and start operational discussions.

The intended plan of action is

- Set-up a meeting for Ranjit and myself over the next 2-3 weeks with Mr. Narendra Modi and his office bearers
- Work out key relationships
- Start interaction with the office bearers to work out IPL plans and also importantly Hospitality and ticketing plans.

I wanted to check with you for your thoughts or anything that we should consider.

Thanks.

Santanu

Dear Manoj,

As per the agreement, clause 10.5 specifies that franchisees whose shares are transferred, the franchisee shall deliver a letter from an independent solicitor confirming the event and confirming the total sum paid to the person who transferred the shares. Request you to provide this officially from an independent solicitor. Further, as per clause 10.3 specifies that 5% of the value of sale transfer has to be remitted as fees and not the gain (Profit) as mentioned by you. There is no fee on the new shares issued by you under Clause 10.4

Therefore, the payment of 5% of transfer fee is

Transfer of 303,984 shares at USD\$ 7,791,052

5% of the fees as per Clause 10.3 -- USD \$389,553.

I would request you to remit this amount to BCCI-IPL (the USD value as on date of transfer of the shares).

If you have any queries, I will be happy to clarify.

With Regards

**Subject:** Fw: Breach of trust committed,by IPL Commissioner Mr Lalit Modi

Dear Lalit,

I have received a complaint against you from the Kochi Franchisees regarding the statements made by you on your Twitter Account. You are aware that the Governing Council at its meeting has unanimously accepted the bids submitted by Sahara and Rendezvous . At that time no objections were raised with regard to the Consortium which gave a bid for Kochi franchisees. Assuming that you had certain Questions with regard to the Consortium, you had every right to raise them before the IPL Governing Council. However you chose to raise them on Twitter for reasons best known to you.

The BCCI is a Body which functions in accordance with its Constitution and does not function through media. The issue, if any, could have been discussed at the Governing Council Meeting and the action on your part of raising it on Twitter is unbecoming of you as a Chairman of a Sub-Committee of the Board. Your action is in serious breach of the Confidentiality Clause in the Agreement.

Till date, you have made Public Statements about lots of issues which were not even discussed in the Meeting of the Governing Council when it is the Governing Council which has the authority to take decisions with regard to each and every issue relating to IPL .

Your making of such Statements is detrimental to the Interests of the Board and I propose to discuss this issue at the Governing Council meeting which I propose to hold shortly.

I am sending a copy of the complaint sent by the Kochi Franchisees and a copy of this communication to all Members of the Governing Council for their information as this is a matter which severely compromises the integrity of the Governing Council and the Board.

I request you to desist from making any statements in the media till this issue is discussed and settled at the next Governing Council Meeting.

Warm Regards,  
Shashank.

Sub: Breach of trust committed by IPL Commissioner Mr Lalit Modi

Dear Sir,

I would like to introduce myself as one of the members of the consortium that successfully bid for the Cochin IPL team in the recently concluded BCCI-IPL auction. As you might be already aware, the consortium members had signed the Franchise Agreement with IPL earlier today at ITC Gardenia, Bangalore. The Commissioner of IPL, Mr Lalit Modi, himself signed the agreement on

behalf of BCCI-IPL.

I write this letter to you, on behalf of the consortium (consortium members have been cc'ed in this email), to request you to immediately look into a serious breach of trust that has occurred earlier today.

I would like to specifically draw your attention to clause 19.1 (Confidentiality clause) in the signed Franchise Agreement that concludes as follows:

*19.1 The parties shall at all times treat this agreement as being private and confidential and its contents shall not be used for any purpose (other than the proper performance of this Agreement) or disclosed either directly or indirectly to any person except:*

*a) with the prior written agreement of both parties: or*

*b) as may be required by any statutory, regulatory or governmental or quasi governmental authority, pursuant to the rules of any recognised stock exchange or as otherwise required by law*

However, it is unfortunate to note that, Mr Lalit Modi himself, on his Twitter account has disclosed various vital aspects of the contract today evening (Please see attached document). Information disclosed include shareholding pattern of the consortium as well as shareholding patterns of various participating consortium member companies. Please note that, Mr. Modi, has not disclosed such information for the other nine teams participating in the league. In addition, we have been seeing various remarks by Mr. Modi in the media and on Twitter, questioning the capability and the intentions of this consortium.

We are shocked to see this unethical behaviour coming from the commissioner himself, even before 24 hours has come to pass after signing the agreement. As a consortium, we have abided by the terms and conditions of the bid document and franchise agreement in letter and spirit. Behaviour and actions as conducted by Mr. Modi brings complete disrespect to the sport, the IPL league, as well as to the sanctity of the bidding process.

On behalf of the consortium, I sincerely request you to immediately 1) instruct Mr Modi to retract the statements made in the media as well on Twitter, 2) reveal/ disclose similar information for all participating teams on his Twitter account, 3) apologise for the communications given in the media.

We, as a consortium are also contemplating to initiate legal action against Mr. Modi for this irresponsible behavior, which brings disrepute to his office.

We look forward to speedy action and justice on this subject.

Thanking you

Sincerely

Vivek Venugopal

Dear Shasank

In regard to what I have put in twitter is in no way breach of confidentiality as who the shareholders are - we have always provided in the past and it is not a matter to hide. Further it is the Kochi franchise who has a lot to hide and as such have lied about who is the actual owner of the shares. Which I informed you earlier today. I have minuted what they said at the meeting. And in fact when I questioned who the shareholders were - they had no answer. Infact they said we will revert back. Within minutes of me asking the same - I got a call from Shashi tharoor asking me not to ask about who these share holders are. All shareholders are privee to the same and same has been minuted. You had mentioned that we should ignore who is the owner - but our conditions require us to authenticate who they are. I am happy to disclose all the facts at the next Governing council meeting. As regard not raising it at the time of the tender - well we did not have the foresight to go thru th voluminous documents attached to verify each and every shareholder.

In regard to many other things I have said on my Twitter account - have actually - not been any classified information. It is factual and only something we would have or have put into the public domain.

I have no intention of putting Bcci and Ipl in to disrepute. I have always gone out of my way to protect both the IPL and BCCI all the time. My track record is there for one and all to see.

Warm regards

Lalit.

**Subject:** IPL Kochi team - way forward

Dear Mr. Manohar,

As you are aware, we have signed the Franchise agreement with BCCI-IPL for the Kochi Franchise a couple of days ago, facilitated in no small part by your judicious support which played a significant role in culminating the process.

However, there has been a lot of needless media coverage on issues pertaining to our franchise in the past few days, which has added to our concern.

The reasons for our concern stem from events that transpired before the signing, mainly pressure from Mr. Lalit Modi, IPL Commissioner, to relinquish our claim to the Kochi Franchise in order that other eligible bidders could then stake a claim to a franchise for an alternate venue.

In order to convince us to agree, Mr. Modi elaborated scenarios which would otherwise make it unviable for us to continue, including –

- o Removal of the player spending cap (set at 7 Million USD for Season 4) which would send our player costs spiraling
- o Intentionally delaying the construction of the Kochi stadium for the foreseeable future by bringing in PIL's and environmental litigation, thereby ensuring we are unable to build a base in Kerala
- o Assign us stadiums in remote, unfeasible locations (Guwahati, Bhiwani, etc.) to play our matches till the time Kochi stadium is ready
- o Introducing the player retention policy that would allow existing franchisees to retain up to 6 existing players, thus reducing our options of hiring the top players. He also indicated that, were we to agree to give up the Kochi franchise, he would not allow this policy to be adopted and we could benefit by his arranging, for us, a back-door entry to another franchise.

Needless to say, we did not submit to the above pressure and find ourselves as the franchise owners for Kochi.

However, after succeeding with our bid in a process which was fair and transparent, we now find ourselves in a position where we are unsure of the support we will have, from BCCI-IPL, in our attempt to set up a team which will have a sustainable future in Kerala.

We understand the relevance of building a strong working relationship with BCCI-IPL as we jointly endeavor to expand the league and the sport. We have exercised maximum restraint to ensure that the situation does not escalate. We were forced to retaliate to Mr. Modi's attacks only once he decided to public defame us through his social channels (twitter) and the media.

We have resolved to bury the past and push ahead, in spite of the prospective hurdles ahead, but request you to kindly advise us on the issues raised above, so that we are not subjected to unfair discrimination.

As always, we are confident that your support will be with us.

Thanking You,

Yours Sincerely,

For Rendezvous Sports World (UJV)

Attention: Mr. L.K. Modi – Chairman, Marketing Sub-Committee

Copy to: Mr. Niranjan Shah – Honorary Secretary, BCCI

Mr. Digvijay Singh – Nimbus Communications Ltd

Dear Lalit,

We are writing with reference to the recently issued BCCI Web Portal tender document.

We are concerned that this ITT adversely impacts on rights already granted to Nimbus.

Nimbus has been granted the Media Rights including the Internet rights. These rights are exclusive for 72 hours (with the exception of such rights as are specifically excluded in the MRA), and these are non-exclusive after 72 hours following the acquisition by Nimbus of the BCCI Archive.

At the time of acquisition of the MRA the BCCI Website was listed as an exclusion (under clause 5e) for the specific purpose of Highlights of each match/ceremony – these to be aired not earlier than 48 hrs after the conclusion of match/ceremony. This was reiterated in Clause 9.1 of the MRA. What is clear therefore is that prior to 72 hrs Nimbus has exclusive internet rights (with the exclusion of Highlights – these to be transmitted after 48 hrs from end of match); and after 72 hrs Nimbus has non-exclusive rights. These include streaming, clips, and any/all forms of legitimate usage.

Further, Nimbus has the rights to all international (including twenty20) and domestic matches (whether produced and/or telecast or not).

Finally BCCI is committed not to use the Excluded Rights in a manner that adversely impacts the Nimbus Rights – refer clause 5 of Exhibit A of the MRA. Therefore the WEB

ITT that BCCI has produced must take care not to violate Nimbus rights as above. Instead we find that there is an encroachment on Nimbus rights in terms of what is on offer by way of rights and content.

We are concerned that certain aspects of the tender document are in conflict with the rights granted to Nimbus under our MRA and wish to point these out as follows:

Page 9 – 3.2 B (vi) (a)

Clause 5 of the Second Addendum to the MRA, executed on 2nd June 2007, clearly establishes the value of Twenty/20 matches for inclusion as additional matches in all future tours under the MRA. It is therefore not possible for the live internet rights to such Twenty/20 matches to also be granted to the BCCI's web portal. Nimbus has the exclusive internet rights to all BCCI matches scheduled in the MRA to which Clause 5 of the 2nd Addendum has added Twenty/20 matches. We cite the India vs Australia Twenty/20 match by way of example of this fact in practice.

Page 10 – 3.2 B (vi) (a)

The BCCI states that it intends to exclude live broadband internet rights from future media rights tenders. We would point out in the strongest terms this will have a significant impact on the value and operational viability of future broadcast licenses around the world, and therefore a consequent impact on the value parties will be willing to pay to BCCI for its media rights. More and more broadcasters now simulcast their television programming via multiple platforms of which the internet is paramount, geo-blocked to that broadcaster's territory. Accordingly the BCCI's stated exclusion of future internet rights places it at direct variance to such industry moves towards "platform neutrality". This will significantly devalue the BCCI's media rights. Nimbus has a right of first negotiation to BCCI's media rights for the next cycle and can state now that the non-inclusion of internet rights will materially lower the price we might be prepared to offer, if any. This will be the case for all other interested parties.

Page 10 – 3.2 B (vi) (b)

Please could you clarify which domestic matches the BCCI is referring to as "new domestic events"?

Page 10 – 3.2 B (vi) (c)

Please could you clarify which domestic matches the BCCI is referring to as "additional domestic matches outside the agreed itinerary between BCCI and NCL for which the latter expresses no intention for transmission"? BCCI has granted the rights to all domestic cricket to Nimbus, which fact is not altered by non-transmission.

Page 11 – 3.2 B (vii)

BCCI states that it can transmit highlights at the end of "each day's play" in respect of Tests. This is incorrect. BCCI may only transmit such highlights at the end of 48 hours after the completion of a match i.e. in the case of a test match upon completion of 48 hours after the completion of all 5 days.

Page 11 – 3.2 B (viii)

Please would you clarify what is intended in respect of "Live video scorecard" that includes "up to 30 seconds footage"? Clearly there can be no transmission of any footage within the 72 hour rights period granted exclusively to Nimbus, save for such derogations as referred to above.

Page 16 and 17

Please note that Nimbus will be unable to compel broadcasters to carry credits and logos if to do so would place them in breach of their applicable broadcast regulations and local laws.

With regard to the costs of accessing the live feed Nimbus technical charges shall of course apply.

Page 18 – 3.7

BCCI states that its web portal rights are to be exclusive yet Nimbus already has archive rights to the same material until 30th September 2008, transmission of which includes the internet. Nimbus has a rolling option each year thereafter (2nd Addendum Clause 11). As such any exploitation by BCCI prior to March 2010 will be on a strictly non-exclusive basis.

Please let us have your urgent responses to the above. In the meantime we have only recently received a copy of Schedule 6 to the web portal tender document, being the proposed web portal rights agreement itself. We will review this in light of the above points and revert with any further issues that arise.

In the circumstances Nimbus must reserve all its rights.

Yours faithfully,

Yannick Colaco

Dear Sirs

**Media Rights Agreement dated 28<sup>th</sup> February 2006 (the "Agreement")- Further Material Breaches by BCCI**

Further to our Notice of Material Breach sent by email yesterday, 9<sup>th</sup> October 2008, and today by hard copy letter, we are writing to further particularize the extent of the breaches caused by the BCCI on its website [www.bcci.tv](http://www.bcci.tv). This letter serves as a further formal notice of material breach by BCCI, in accordance with Clause 6.1(c) of the Agreement

As at the time of sending the Notice yesterday we had only been aware of a large succession of standalone clips being made freely available, on demand, on the website whilst play was taking place. Since the Notice was sent it has been brought to our attention that further infringements took place after the close of play, in the form of:

- (i) A lengthy on-demand highlights package of the entire day's play; and
- (ii) a series of on-demand compilations concerning specific aspects of the day's play eg. "4s", "6s", "Half centuries", "Centuries", "Session round-up", "Pitch report", "Toss report", "Partnerships".

We must remind you that the position under the Agreement is absolutely clear. Clause 5 (e) of Exhibit A sets out the only exception to Nimbus's exclusive Broadband Internet Rights during the Rights Period of the respective Match. The Clause states that BCCI reserves only the right to transmit highlights of matches on BCCI Websites, but expressly states that such transmissions may not exceed 60 minutes in duration and may only be transmitted "after conclusion of the match". Further, Clause 9.1 of Exhibit A further clarifies that such post-match highlights may not be transmitted until at least 48 hours post completion of the match. The current match is still in progress with more than three days to go.

As with the standalone clips about which we have already complained, this material was accessible anywhere in the world, including in all of our key broadcast territories, in flagrant violation of the exclusive rights granted to us in our MRA.

You will appreciate that we must insist that BCCI take immediate steps to remedy such material breaches of the Agreement and to ensure that no match footage appears on any BCCI Website until the match has finished and the appropriate "holdback" has been adhered to. Failure to do so will lead to further significant damage and loss for Nimbus, for which Nimbus will hold BCCI directly and totally responsible. Obviously you will understand, that we must also insist that BCCI provides Nimbus with written undertakings to cease such activity and not to permit any further infringements of Nimbus's exclusive rights under the Agreement

We expressly reserve all our rights and remedies.

Yours faithfully

**Re: Media Rights Agreement between Board of Control for Cricket in India ("BCCI") and Nimbus Communications Ltd. ("Nimbus") dated 28<sup>th</sup> February 2006 (the "Agreement") – Notice of Material Breach**

Dear Sirs

In accordance with Clause 6.1(c) of the Agreement Nimbus hereby serves formal Notice of Material Breach upon BCCI that it is in material breach of fundamental and material provisions of the Agreement as follows:-

1. BCCI is exhibiting on its official website, BCCI.TV, throughout the world extracts of the coverage of the First Test match between India and Australia commencing today, 9<sup>th</sup> October 2008. Such clips have been and are being exhibited on a near-live basis whilst the days' play was continuing. Under Clause 4.3 of the Agreement, BCCI covenants with, and undertakes to, Nimbus:

*"that it [BCCI] shall not itself exercise or exploit, nor permit or authorise any third party to exercise or exploit, the Media Rights (or any part thereof) in the Territories (or any part thereof) during the Rights Period [i.e. until 72 hours after the match]....."*

The Media Rights, as granted to Nimbus, are as set out in Exhibit A to the Agreement and include "Broadband Internet Rights". Such rights are granted exclusively to Nimbus, subject only to the Excluded Rights. Clause 5 of Exhibit A sets out the Excluded Rights and Clause 5(e) of Exhibit A of the Agreement, "BCCI Websites", expressly addresses this issue. This provision, as the only exception to the exclusivity granted to Nimbus, reserves to BCCI the right to transmit highlights of matches via BCCI Websites (defined as the Official Internet Websites of the BCCI) but expressly states that:

*"Such highlights may only be transmitted via BCCI website after conclusion of each match."*

...Contd. 2/-

The transmission and making available by BCCI of coverage of the First Test Match, India vs Australia on October 9<sup>th</sup> 2008 during the match is therefore a fundamental and material breach of a material term of the Agreement, namely the exclusivity of the Media Rights as granted to Nimbus. Such breach undermines and devalues the Media Rights granted to Nimbus and, further, places Nimbus, and/or its licensee, in breach of its licence agreements throughout the world. As such Nimbus will suffer material and significant damage flowing therefrom for which it will hold the BCCI directly responsible.

2. We would further point out that BCCI has previously been put on notice not to use the live feed of coverage of the match in such a way as to adversely impact upon the rights of Nimbus under the Agreement. See e-mail from Yannick Colaco to Mark Melville and Sundar Raman dated 4<sup>th</sup> October 2008 and in particular, the e-mail from Yannick Colaco, dated 8<sup>th</sup> October 2008 to Lalit Modi, N Srinivasan, Shashank Manokar which, inter alia, expressly reminded BCCI that BCCI does not have the right to display video clips during a match. We would also point out, see letter of 6<sup>th</sup> December 2007 to BCCI regarding the BCCI Web Portal tender document (electronic copy attached for your reference), that BCCI was advised prior to entering into its web portal agreement of the issue and potential for infringing Nimbus's rights. In the circumstances the BCCI's breach of the Agreement is a clear and wilful disregard of Nimbus's legal rights.
3. This breach by BCCI undermines the whole commercial structure and value of the Agreement and of all major international licences of media rights derived therefrom. It further undermines the very credibility of both Nimbus and BCCI.
4. We must therefore insist that BCCI take immediate steps to remove all clips from all BCCI websites and undertakes in writing henceforth to comply with its obligations under the Agreement. Nimbus will hold BCCI directly responsible for any and all losses and/or damages which flow from this breach.

Nimbus expressly reserves all rights and remedies including, without limitation, the right to terminate the Agreement if said breaches are not cured in accordance with Clause 6.1(c) of the Agreement and/or to sue for damages and/or seek injunctive relief at any time.

Yours faithfully  
For and on behalf of **Nimbus Communications Ltd**

 Subject: Fw: Meeting - Lalit Modi 31st March - HIGHLY CONFIDENTIAL

Dear Shashank

I attach an email detailing minutes of a meeting called by Mr Modi, held with IMG and 3 English Test grounds. A whistleblower provided this.

The minutes are self-explanatory.

It sets out a plan to destroy world cricket's structure and especially that in England, and create a new rebel league.

The plan seeks to remove all Boards' powers, and involve players in a fashion unheard of.

I am certain BCCI had no knowledge of this meeting nor of these proposals, but Mr Modi clearly represents that IPL and its Governing Council are offering financial inducements to English counties.

We have already commenced legal action with regard to the English officials and counties involved.

We also wish to take action against IMG for promoting this along with Mr Modi and to seek their banning from world cricket.

ICC Regulations are very clear concerning contacts of this nature which are forbidden.

Your help and support in eradicating this threat and dealing with the miscreants will be greatly appreciated. The ECB believes under your leadership the BCCI/ECB relationship has become very strong.

I have tried to call you to brief you.

I am in West Indies and communications are very varied.

With best personal wishes

Giles

Dear all,

Colin Povey, David Hodgekiss (Lancs Board) & I have just had a fascinating meeting with Lalit Modi in Delhi this lunchtime. I thought I would sketch out the main thrust of the meeting to give you a feel for the size of the prize and some of the issues we are facing going forward. As you can see there is huge upside if we can navigate our way through this and having experienced the IPL at first hand I can honestly say that it is staggering what has been achieved in 2 years. I have seen

2 live games including Deccan Chargers vs Mumbai Indians played in front of 55,000 screaming fans with noise levels that were unbelievable. The branding in the DY Patil Stadium, the event delivery and the whole customer experience was superb! We have a product here that fans wish to buy, players wish to play in, investors wish to back, broadcasters wish to cover and sponsors wish to be associated with.

Meeting Attendees:

Lalit Modi  
 Andrew Wildblood (Executive VP - IMG)  
 Peter Griffiths (Senior VP / Director of Operations - IMG)  
 Plus 3 of us.

The Vision

Currently India has a window for the IPL of circa 7 weeks (March / April). It cannot be expanded domestically due to player availability, lack of appropriate 'window' due to clashes with international calendars / FTP. Therefore the only way to leverage more value is to offer the existing franchisees a chance to buy a second franchise in the Northern Hemisphere. The English market is best placed to offer this opportunity and therefore there exists the potential for a 'mirror image' of the IPL in the UK. The value of the last two franchises sold was \$370m and \$333m respectively (compared to the first 8 which sold for c\$70m each just 2 years ago). There were 4 bidders with the two losers bidding \$319m and \$315m respectively. There is no plan to expand further the number of franchises in India for a period of 5 years to allow for the brand to be built and for the model to settle down and become established with both consumers and stakeholders. As such, England is seen as fertile territory and the 10 Indian franchisees would be offered a 'first option' to bid on 10 new English (and Welsh, Paul!) franchises based around the Category A grounds in the main. If they did not bite then they would be offered to the underbidders from India and then to the open market.

In order to get to this point then the ICC & member governing bodies must be convinced that they should allocate the two time windows above as a priority before any international fixtures are scheduled. Then everything else needs to be built around this.

One stumbling block in the UK is the Sky contract and it is important to understand this in detail to see what the small print states. Does anyone have a copy of this? Essentially we need to know if there is a get-out for the above to happen or whether Sky will assume they have already bought it as they own all of the TV rights for cricket in the UK.

Deal Structure

1. 10 existing Indian franchise owners offered first right to buy new English franchise as part of an auction process. They would be encouraged to bring on board a 50% UK based shareholder to allow for a UK identity to be presented publicly.
2. 80% of gross revenues from commercial activity goes to the franchisees including TV deal monies, sponsorship, advertising etc. 20% goes to the clubs (i.e us!).
3. The franchise fee in India currently goes to BCCI and is a liability on the franchisee's books for a 10 year period i.e. Rajasthan Royals cost \$67m when bought 2 years ago. This is being paid at \$6.7m per year over 10 years. It was unclear whether 20% of this also came back to the clubs or whether it was all used by BCCI to fund 'the recreational game' in India. This needs to be established.
4. IPL would GUARANTEE NOW a figure of \$3m to \$5m per annum for each of us plus a staging fee for hosting the games (c\$1.5m per annum each) if we were to support the idea. They are absolutely convinced we are sitting on a gold mine! Why?
  - a) no opportunity for further matches in India due to player availability
  - b) UK schedule and season fits well with India
  - c) UK matches could go out live on Indian TV
  - d) We offer broadcasters, sponsors and advertisers double the matches worldwide thus facilitating improved deals right across the globe.
5. The new UK competition would mirror IPL conditions e.g 10 overseas players - only 4 in the final 11 - and 7 local players (so opportunities for our lads!).

Players

The IPL model relies heavily on 'star players' and this is why they have been so successful. They have taken TV and sponsorship monies from the film and soap opera categories and brought women into the game like never before. Matches include fashion shows, after-match parties (for which the rights have been sold centrally) and entertainment. They have launched the word 'CRICKETAINMENT' which I think is really innovative. Players are now the new 'idols' in India and every one of them wants to be involved.

Print

Page 3 of 5

Going forward, availability will be key and Modi predicts a revolution amongst players if they are not allowed to get involved. indeed, after the World Cup in South Africa he will launch a new franchise rule stating that a player has to be available to be auctioned. Given the earning potential, he expects players to demand to be part of it e.g. Dhoni's earnings last year were \$25m dollars (including IPL product endorsements) despite his \$200k Indian central contract. Ravi Bopara and Michael Lumb (Rod - be aware) are expected to be offered \$500k per annum 3 year contracts as they have played so well this year.

If governing bodies try to block the development of IPL20 then the franchisees could, if they wished, simply buy out the players and create their own cricket structure. Modi believes that most star players would take the money rather than spend months playing county/state or indeed Test Cricket. Indeed if he wanted he could launch IPL Test matches & ODI's!! This could dilute TV deals and ultimately send the governing bodies into a tailspin. The latter point was not a threat, rather it was evidence that the power has shifted to the franchisee and it is no longer the case that the ICC could stop this happening. If they try it will happen anyway! Modi wants the balance between club and country to be negotiated sensibly rather than end up with everyone falling out! It may mean the payment of funds to smaller countries to underwrite their losses if the FTP reduces their games to allow T20 growth.

#### Relationships

Modi was totally dissatisfied with Giles Clarke and David Collier's handling of the relationship they have been trying to set up. They have offered the chance to partner with them on more than one occasion and have been turned down flat.

In the Champions League negotiation GC was offered 16.67% of the new entity along with CSA and Cricket Australia with India having 50% (as they were bringing 80% of the media value to the table). GC demanded 25% and was told he would lose out if he tried to play hard ball. He lost out! However, be aware that the Champions League contract has not yet been signed and it was intimated that the door was still open.

India see England as the PIVOTAL partner in a Northern Hemisphere / Southern Hemisphere deal

#### Cricket Issues

In the short term Modi sees One Day Cricket as too important to disappear or be managed out actively. Currently BCCI make \$20m per day from this format. They do accept however that the consumer will decide and it is likely that it will decline going forward at the expense of T20. This will cause issues for existing TV deals; indeed ESPN are already complaining to BCCI that the value of their deal for Test & ODI cricket has been massively impacted by the IPL. The key will be to replace lost revenues with new revenues as we go forward.

#### Issues for us

1. The Sky contract!
2. Managing the ECB to come with us on this opportunity
3. Managing the 9 Non-Cat A grounds and their concerns about elitism
4. Managing the delivery of the time windows required to make this happen.
5. Considering whether or not a partnership with an Indian franchise is the right move at present given the detail above. Potentially it could dilute the value of what a franchisee might pay if there is no perceived value in place already.
6. Keeping this tight and not allowing it to be derailed!
7. Working as one 'unit of 9' to offer greater value in the future.

As you can see it was a hugely beneficial trip with lots of food for thought.

Any questions please call or email. Back in UK tomorrow morning.

Extracts from the Draft Minutes of the IPL Governing Council Meeting held on 25<sup>th</sup> June 2010

**Agenda Item No.3 & 4**

**Show Cause Notices Issued to Mr. Lalit K. Modi and to decide on Media Rights Agreement with WSG and MSM**

The Chairman requested Mr. Shashank Manohar to update the members on the Show Cause Notice issued to Mr. Lalit Modi and his response to the same.

- Mr. Shashank Manohar informed the members that the Board had issued three Show Cause Notices to Mr. Lalit K. Modi on 26<sup>th</sup> April 2010, 6<sup>th</sup> May 2010 and 31<sup>st</sup> May, 2010.

1) In the first Show Cause Notice the main charges prima facie stated against Mr. Lalit Modi were :-

a) Media Rights Agreement

Mr. Shashank Manohar explained to the members that BCCI-IPL had in January 2008 invited tenders for Broadcast Rights and the following agreements approved by the Governing Council were signed.:-

1. Agreement with MSM for India rights
2. Agreement with WSG (India) for Global rights.

On 14<sup>th</sup> March 2009 at midnight the agreement with MSM was terminated for alleged violations in the telecast of IPL.

7

On 15<sup>th</sup> March 2009, Mr. Lalit Modi entered into a Mutual Termination Agreement with WSG India and WSG (Mauritius).

On 15<sup>th</sup> March 2009 itself Mr. Lalit Modi awarded the Media Rights to WSG (Mauritius) without calling for fresh bids for Indian Sub-continent.

WSG (Mauritius), being a Marketing Company, was given 72 hours to find a broadcaster. This facility was further extended by 72 hours on 17<sup>th</sup> March 2009 and 20<sup>th</sup> March 2009. By the last extension, the rights with WSG (Mauritius) were to terminate at 3.00 a.m. on 24<sup>th</sup> March 2009, if they failed to get a broadcaster. It is interesting to note that while Mr. Lalit Modi had terminated the MSM agreement for alleged violation on 14<sup>th</sup> March 2009, on 15<sup>th</sup> March 2009, Mr. Lalit Modi sent a mail to WSG (Mauritius) informing that they could consider MSM as a broadcast partner.

On 25<sup>th</sup> March 2009, Mr. Lalit Modi records a letter to WSG (M) stating that since WSG (M) had been unable to find a broadcaster within 72 hours, the rights have reverted back to BCCI. WSG (M) signs the said letter in confirmation.

Consequently on 25<sup>th</sup> March 2009, Mr. Lalit Modi entered into a mutual deed of termination of the agreement with WSG (Mauritius) and on the same day i.e. 25<sup>th</sup> March 2009, he entered into the following agreements –

- (1) Agreement with MSM for India territory
- (2) Agreement with WSG (India) for Global Rights

Mr. Shashank Manohar further informed the members that, while signing the new agreements with MSM and WSG (India), 600 seconds of extra time was available for

commercial exploitation in view of the decision to introduce strategic time out in IPL-2.

While the Rights fee of MSM was increased from 1bn US\$ to 1.6bn US\$, the Rights fee for WSG (India), who also had the same advantage of additional 600 seconds was kept at 85mn USD as in the previous agreement.

Mr. Shashank Manohar stressed the fact that Mr. Lalit Modi had allegedly avoured WSG (India) and thereby caused a loss of revenue to BCCI-IPL to the extent of about 425 Crores.

Mr. Shashank Manohar further stated that an agreement was entered into between MSM and WSG (Mauritius) according to which MSM was to pay WSG (Mauritius) a 'Facilitation Fee' of 80mn US\$ (INR 425 Crores).

There was a Clause in the BCCI-IPL Agreement with MSM that if MSM fails to pay any amount due under the WSG-MSM agreement to WSG (M), BCCI-IPL would terminate the agreement with MSM. A copy of the agreement between MSM and WSG (Mauritius) was made available to the Board by the SONY officials.

Similarly, in the BCCI-IPL Agreement with WSG (India) there was a clause whereby (a) BCCI would terminate the MSM agreement if they fail to pay Facilitation Fee to the WSG (Mauritius) and

(b) BCCI would pay 80mn US\$ (INR 425 Crores) to WSG Mauritius if MSM did not honour their commitment of Facilitation Fee to WSG (Mauritius).

The members expressed surprise at such clauses in the agreements

Mr. Shashank Manohar concluded that Mr. Lalit Modi had compelled MSM to agree to the payment of 'Facilitation Fee' of Rs.425 Crores to WSG (Mauritius) when in fact, the Rights were with BCCI from 3.00 a.m. of 24<sup>th</sup> March 2009 onwards.

According to him the 'Facilitation Fee' appeared to be a kick back which Mr. Lalit Modi managed for parking the Media Rights of IPL with WSG (Mauritius) for 10 days.

Mr. Lalit Modi in his reply to the Show Cause Notice has stated that he was not aware of the 'Facilitation Fee' and the clauses in the agreements and had signed the agreement which was given to him by the Corporate Lawyers of BCCI-IPL.

- Irregularities in Franchisee Agreement

Mr. Shashank Manohar also explained to the members the alleged irregularities with respect to the Rajasthan Royals. The franchisee bid was won by Mr. Manoj Badale on behalf of Emerging Media. However, Mr. Lalit Modi signed a Franchise Agreement with Jaipur IPL Cricket Pvt. Ltd. It is important to note that when this agreement was signed neither Mr. Manoj Badale nor Emerging Media held any shares in Jaipur IPL Cricket Pvt. Ltd. There were only 2 shareholders –

- (1) Fraser Castelino
- (2) Ranjit BarThakur

10

Later, these 2 shareholders (1) Frazer Castelfino and (2) Ranjit Bar Thakur have transferred their shares to various people including Mauritius entities which is supposedly owned by Mr. Chellaram who is husband of Mr. Lalit Modi's Sister-in-Law. The above transactions are illegal and against the rules of the franchisee bid tender document and the agreement itself.

Mr. Shashank Manohar further stated that some 11% share of Jaipur IPL have been shown to be transferred to M/s. Kuki Investment which is claimed to be Mr. Raj Kundra's company without being formally approved by the IPL Governing Council.

- Web Portal Rights

According to Mr. Shashank Manohar, BCCI had entered into a Web Portal Agreement for both BCCI as well as BCCI-IPL with one Live Current Media. Live Current Media sold its rights to a company called Global Cricket Ventures, which is a Mauritius based company and a Novation Agreement was entered into between BCCI-IPL, Live Current Media and Global Cricket Ventures. While placing the Novation Agreement for approval before the Governing Council, the members were kept totally in dark about the fact that Mr. Gaurav Burman, step Son-in-Law of Mr. Lalit Modi, had purchased 50% of the stake in Global Cricket Ventures and his direct interest in the same. It could not be a coincidence that GCV purchased internet rights for WSG immediately thereafter.

II) Mr. Shashank Manohar further pointed out that the 2<sup>nd</sup> Show Cause Notice issued on 6<sup>th</sup> May 2010 was based on a complaint received from Mr. Giles Clarke, Chairman of ECB. Mr. Giles Clarke complained that Mr. Lalit Modi

had invited representatives of the Counties and held a meeting in Delhi. In this meeting, the minutes of which were recorded by one of the representatives of the Counties. It is found that Mr. Lalit Modi was exploring starting of IPL in England. The minutes clearly indicate that Mr. Lalit Modi's plan of starting a league similar to IPL involving the IPL Franchises. The plans proposed by Mr. Lalit Modi are detrimental to the game of cricket and World Cricket at large. He has been asked to explain as to how he could make such representations in the presence of IMG representatives without the authority of Governing Council making false inducements to endanger the interest of ECB, BCCI and World Cricket.

- III) A Third Show Cause Notice was issued on 31<sup>st</sup> May 2010 which calls upon Mr. Lalit Modi to explain the award of the Theatrical Rights for IPL and the award of commercial exploitation of 150 seconds of Free Commercial Time. Mr. Shashank Manohar pointed out that in 2008 Mr. Lalit Modi had brought forward a proposal for award of Theatrical Rights. As there was only one proposal, the President had advised him to bring atleast 2 quotations for a fair decision to be taken. Accordingly, ITT for Theatrical Rights was approved and Mr. Lalit Modi called for Tenders for Theatrical Rights and the same were opened at the IPL Governing Council meeting at Bangkok. It is observed that both the parties who submitted bids had tied with the same agency which provides technical assistance. The highest bidder was awarded the Theatrical Rights. However, just 15 days after the rights was awarded to M/s. Entertainment Sports Direct, a Mauritius based Company. They wrote to Mr. Lalit Modi that they were transferring the Theatrical Rights to M/s. Crown Infotainment for better exploitation of the rights.

12

As far as the commercial exploitation of 150 seconds is concerned, the rights were awarded to M/s. Pioneer Digadsys a company with which Mr. Kunal Dasgupta was associated. Incidentally, Mr. Kunal Dasgupta was the CEO of MSM when the agreement was terminated by BCCI-IPL due to serious broadcast violations. Mr. Shashank Manohar highlighted the fact that there is no agreement with M/s. Pioneer Digadsys and the Board had not received any money so far. He wondered how BCCI-IPL would recover the money on this account in the absence of any records / agreements.

- At this stage, the members were informed that following several meetings with MSM (Singapore) Pte Ltd., they have agreed to an amendment of the agreement dated 25<sup>th</sup> March 2009. As per the amended agreement, they have agreed to pay BCCI-IPL Rs.300.0 Crores which was part of the 'Facilitation Fee' as a part of the rights fee as per the schedule of payment agreed with WSG (M) earlier. They have also sent a letter stating the MSM (Singapore) Pte Ltd. will file a suit against WSG (Mauritius) in the Mumbai High Court for recovery of Rs.125.0 Crores and this money would be paid to BCCI-IPL when realised.
- Members unanimously appreciated the efforts taken by President and Hony. Secretary. The Hony. Secretary was authorized to sign the amended agreement with MSM with immediate effect.

13

- Members further authorized the Hony. Secretary to immediately terminate the BCCI-IPL and WSG (India) agreement for global rights as WSG (India) had followed fraudulent business practice.
